Notices of violations or citations must be sent to the registered owner of the vehicle that was captured by the camera. A notice of violation or a citation must be sent by first-class mail within twenty (20) business days after the occurrence of the violation, absent exigent circumstances arising from registration irregularities. All notices of violation or citations must have a Tennessee return address and all responses and payments must be made to an address in this state. A notice of violation or citation must allow for payment of the traffic violation or citation within thirty (30) days of the mailing of the notice.
